

10th PSSI – Plasma Scholars Colloquium (PSSI-PSC 2024)

July 04 - 05, 2024 at IIT Delhi, New Delhi

The Plasma Science Society of India (PSSI) initiated the Plasma Scholars' Colloquium series in 2012, and it has been held annually ever since. The primary goal of this colloquium is to create an exclusive platform for UG/PG students, research scholars, and post-doctoral fellows working in the field of plasma science and technology to have extremely thorough and exhaustive interactions among themselves and help each other in their research endeavors. The colloquium will primarily have the student community giving oral and poster presentations with a few seminal talks by eminent plasma scientists across the country.
